

Dubai is a melting pot of the old and the new: from the history, culture and traditions of the Arab world to sky-breaking business towers, bustling mega malls and high-tech transport infrastructure. With such a varied mix of people and traditions, the city is a thriving metropolis where East meets West. From quiet hidden cafés to bustling souks, everything has its place in a safe and secure environment. The emirate is also home to some of the biggest sporting events such as the Dubai World Cup, Dubai Desert Classic Golf Championships and the Dubai Tennis Championships. Whatever your passion, you will find it in Dubai, home to some of the most stunning architecture on the planet.
