# LIVE LIFE RESORT STYLE

Breaking from the norms of standard architecture, Resortz brings back the neoclassical era in its purest form, a style principally derived from the architecture of classical antiquity and the vitruvian principles. In it's form the architecture emphasizes on the wall by following a two tone color concept and maintains a separate identities to each of its parts. **Spread over 4 acres of land Resortz spreads over 3 blocks, the project offers Studios, One Bedrooms, Two Bedrooms, Three Bedrooms and Retail Units, with 34% of the plot area used for beautiful landscaping.** A beautiful Dome in the central block reminds you of the Duomo in Florence. Fine detailed Column stands tall throughout the facade of the buildings adding to its grandeur. The 3 blocks come together to form a boundary for a beautiful landscape and swimming pool.
